Networking

PREMIO GAETANO MARZOTTO 2013

Why get into a business incubator?

- ▣ > Entrepreneurial Training
- > Interface between needs and effective responses in real time
often insufficient knowledge and relationship with the system
tied to the company and the services necessary to support its
- > Networking to foster relationships with other companies to
establish business relationships
- > Economies of scale in the use of facilities, services, equipment
and ICT services
- > Investor Relations
