Services description	The i.e. SMART Point sees its role as a lighthouse in the area of entrepreneurship education to provide both teachers and students with a variety of resources and tools needed to create, plan, and implement a new business idea. The <i>SMART Point Vienna</i> has planned ongoing professional development until the end of the 2014/2015 school year for teachers, so that they can begin teaching secondary students ages 14-19 about entrepreneurship. In addition, the <i>SMART Point</i> offers a monthly <i>SMART Brunch</i> which invites successful, inspirational, young entrepreneurs from the Viennese community to come and tell their success stories to students. <i>Wild Kitchen</i> students from the Prevocational School, Burggasse 7, who were inspired by i.e. SMART,

	have formed their own catering company and are responsible for the catering at each brunch.
